

4.0 PUBLICATION REQUIREMENT

The minimum publication requirement is as follows:

- Doctor of Philosophy (PhD): Publish a minimum of **TWO (2)** papers in indexed journals.
- Master by Research: Publish a minimum of **ONE (1)** paper in an indexed journal.

For the purpose of this publication requirement:

An **indexed journal** refers to a journal that is indexed in at least SCOPUS

This publication requirement is effective for students enrolled from the October 2021 intake onwards

Important Note

Students are strongly advised to:

- Plan their publication strategy early in their candidature.
- Work closely with their Main Supervisor to identify suitable journals and timelines.
- Ensure that publications are aligned with their research work and meet the required standards.
